

## HELP THE TEACHERS AND STUDENTS IN YOUR SCHOOL

### NASHVILLE ALLIANCE FOR PUBLIC EDUCATION

There is a tremendous desire in the Nashville community to support public schools, and the Nashville Alliance serves as the vehicle for that generosity. Donations to the Nashville Alliance may be unrestricted or restricted to a specific school or program.

Please visit the MNPS employee giving Web site at <https://donor.united-e-way.org/login.aspx?campaign=mnps08> to select from the codes and programs listed below to support the current funding priorities of the Nashville Alliance:

- #50000 – Unrestricted
- #50001 – Faculty development
- #50002 – Musical instruments
- #50003 – Science and math equipment
- #50004 – Reading programs

*Donations can also be directed to a specific school on the Web site.*
